Language training for companies

academia specialises in language courses for companies – goal-oriented and simple.

You tell us what you and your employees want to achieve.
academia offers the teaching required to reach these objectives.

You tell us which course organisation processes you wish to take care of yourself and which processes you want to outsource.
academia offers various options for administrative handling of the language courses – from registration and reporting to course certificate.

You may know exactly what you need or perhaps require some sound advice.
academia can put your requirements into practice and offer extensive guidance – we like talking to you.

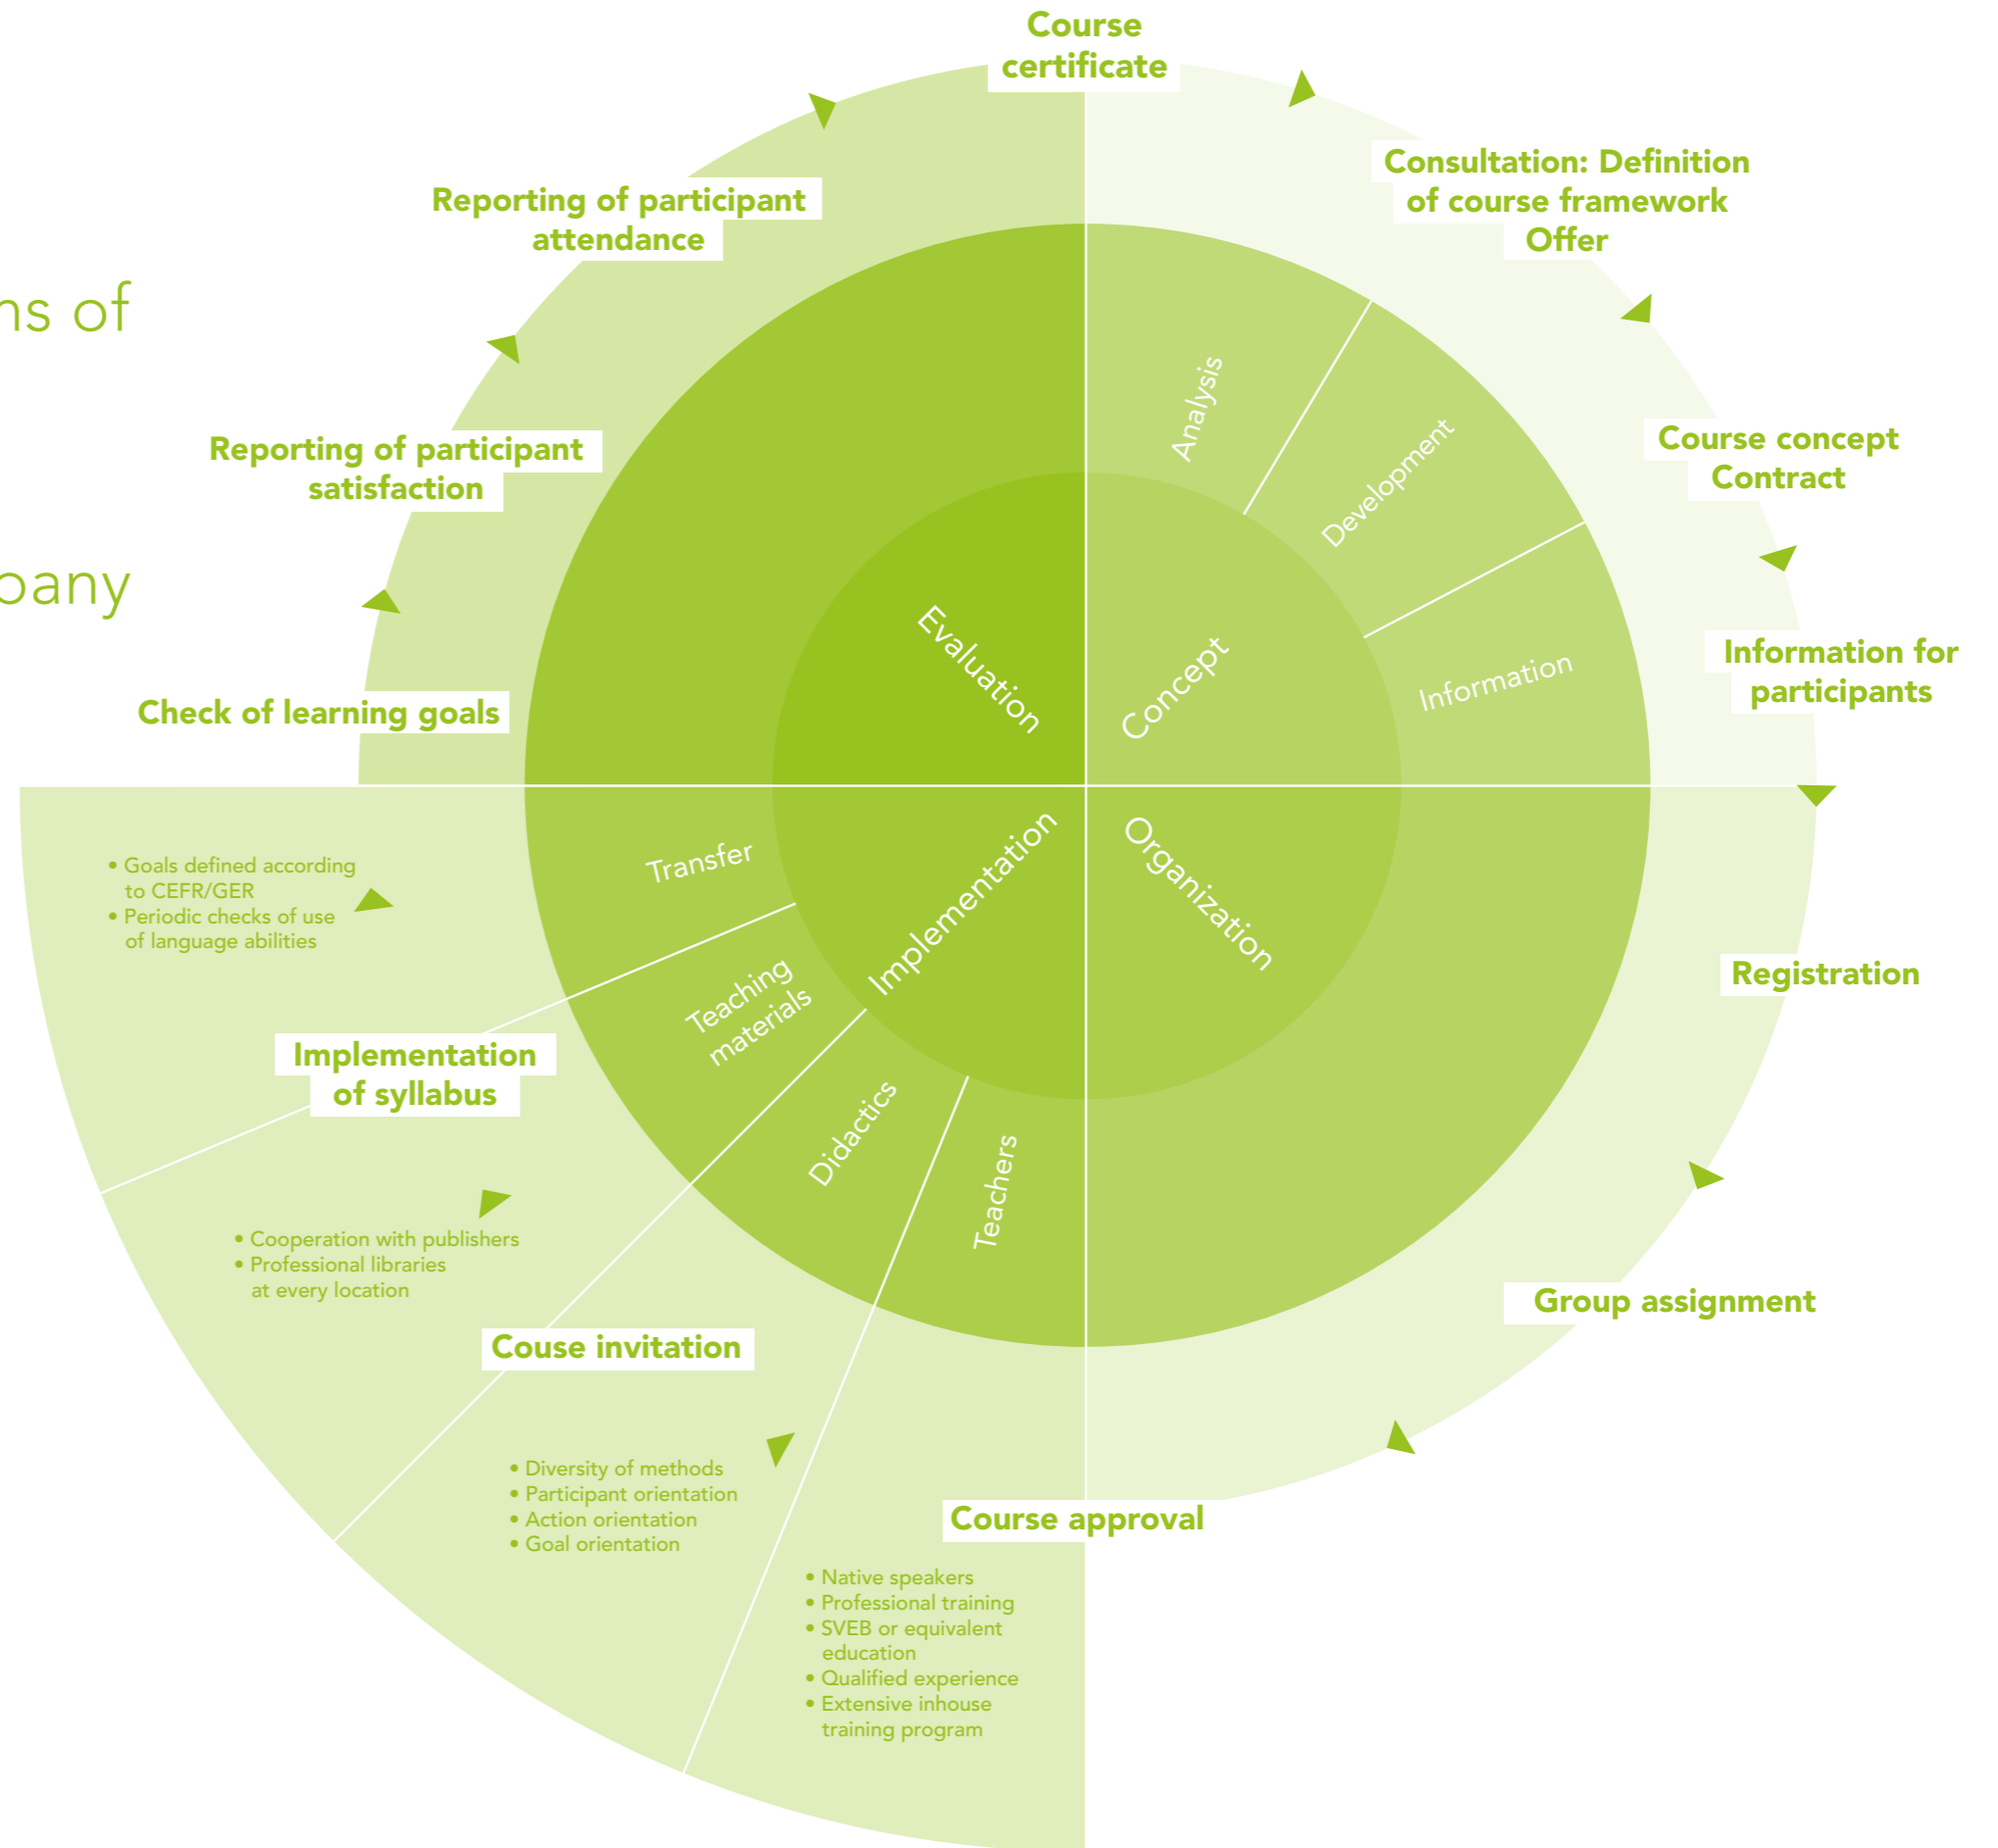

An overview of the programme:

- German, English, French, Italian and Spanish – as well as all other languages
- All levels
- Focus on general or branch-/job-specific language
- Preparation for official certificates
